

These instructions are for abstract submitted for FEARE Workshop 2017.

Please follow this template:

Title of abstract

Name(s) of authors

Limit the body of the text to 300 words or less. The abstract should be able to stand on its own and accordingly should not carry footnotes, references to the literature, or unusual abbreviations. In the byline, authors may choose to use their given names (Björn) or initials (O., D. L.) and should use the same version in the bylines of all other work they present.

Keywords: separate keywords by commas

Contact author: name of contact author, affiliation, and contact details

Following request from participants, please note that you may also submit full papers or extended abstracts using the following format

Extended abstracts contain six sections:

- 1) Title, authors and author affiliations,
- 2) "Summary" (strictly not more than 200 words),
- 3) an "Introduction" strictly not more than half of a page,
- 4) a "Materials and methods" strictly not more than half a page,
- 5) a "Results and Discussion" section, and
- 6) "References" (generally <10 references).

Naming your File

- Please name the file containing your abstract with your family name.
- Send your document in WORD format.
