French Association of Environmental and Resource Economists

November 30 – December 1, 2017, ENS Paris-Saclay (Cachan)

on

« Environment and Health: An economic perspective »

Call for papers

The 8th thematic workshop of FAERE (<http://faere.fr/fr/>) will be held at **ENS Saclay** (Cachan) on November 30 and December 1, 2017.

This interdisciplinary workshop is jointly organized by the French Association of Environmental and Resource Economists (FAERE, <http://faere.fr/fr/>), the **Maison des Sciences de l'Homme Paris-Saclay**, the **CEMOTEV** (UVSQ), **Economie Publique** (INRA-AgroParisTech), and **Evry University**.

This workshop aims at bringing together different disciplines - including, but not limited to economics, sociology and life sciences – to discuss about environmental and health issues, as well as their interactions, with a particular focus the way economics addresses these issues.

The program will consist of oral presentations, which will undergo a selection procedure, as well as three invited talks. The keynote speakers are

- **Pascal Boireau** (Directeur du laboratoire de Santé animale, ANSES, France),
- **Olivier Deschenes** (Prof., Université de Californie, Santa Barbara, USA),
- **Nicolas Treich** (DR INRA, TSE-R, France).
