

Winter 2019 thematic workshop of FAERE

French Association of Environmental and Resources Economists

THE ECONOMICS OF ENERGY TRANSITION

December 9-10th, 2019 – Paris School of Economics

Call for papers

The Winter 2019 thematic workshop of FAERE (<http://faere.fr/en/>) will be hosted by Paris School of Economics, France, on December 9-10th, 2019.

The workshop will focus on energy transition and include topics on fossil fuel use, renewable energy, energy efficiency, innovation and the instruments of energy transition. The sessions will include both theoretical and empirical papers. Submissions from multiple perspectives are welcome, including micro- and macro-economic dimensions.

The program will consist of oral presentations, which will undergo a selection procedure, and invited talks. The sponsors of the event can cover accommodation expenses for the presenters of accepted papers.

IMPORTANT DATES

- **SUBMISSIONS:** no later than October 23rd, 2019
- **ACCEPTANCE:** November 4th, 2019.
- **REGISTRATION DEADLINE:** November 29th, 2019.
