

# The 2024 Workshop on Climate Economics

The Laboratoire d'Économie et de Management de Nantes-Atlantique ([LEMNA](#)) is pleased to announce its 2024 Workshop on Climate Economics to take place at Nantes University on **September 13th, 2024**.

We invite you to submit your unpublished paper in any field of Climate Economics (empirical and/or theoretical). Particularly welcome are contributions on topics including, but not necessarily limited to:

- Climate change measurements and transmission channels to real economic activity;
- Climate-related risks and uncertainties;
- Climate change and financial stability;
- Climate change and the monetary policy transmission mechanism;

Please submit your paper by **June 16th 2024** at the latest, via [Inomics](#). Acceptance decisions will be announced by the end of June 2024.

There is no workshop fee. Financial support can be provided upon request subject to availability.

**Invited speaker:** [Olivier Deschenes](#) (University of California, NBER)

**Scientific Committee:** [Eugenie Dugoua](#) (London School of Economics), [Olivier Damette](#) (Université de Lorraine), [Gauthier Vermandel](#) (Ecole Polytechnique)

**Organizing Committee:** [Hamza Bennani](#) (Nantes Université), [Oussama Houari](#) (Nantes Université)

**Contact:** [hamza.bennani@univ-nantes.fr](mailto:hamza.bennani@univ-nantes.fr)
